ONE COPY—ONE CENT.

A PROTEST.

I'll share my hymn book with a man
In Church—a proper paper,
But in a street I'll be durned
If I will share my paper.

Mr. E. Wele of Market street, who underwent a surgical operation Saturday for fistula, is reported as getting along nicely this morning and a speedy recovery from his ailment is expected.

Two strangers were arrested in Market street Saturday night and locked up on suspicion of being professional pickpockets. They were suspected of having come to the city for the purpose of operating in the crowd of visitors who were with us yesterday. They will be arraigned in the Police Court this afternoon.

CITIZENS' LIFE AFFAIRS

Of Grave Interest to Policyholders and Stockholders

Louisville Courier-Journal.

Dr. Thomas Hunt Stucky, medical director of the Citizens' Life Insurance Company, yesterday gave out an interview from which it appears that the Company's experience as to death losses during 1908 was even more satisfactory than in previous years.

Among other things Dr. Stucky said: "My annual report to the stockholders of the Citizens' Life was made at their meeting in this city on January 12th last. While I am naturally gratified on its own account by the showing the medical department was able to make, the facts disclosed by my report will be of interest just now as showing the care exercised by the Company in selecting its risks and the extremely low death rate it has experienced. "The expected mortality for 1908 was

\$235,507, but the actual mortality was only \$87,000, so that on this item alone the Company saved during 1908 the sum of \$148,507. A comparison with the experience of other Companies will show this to be a remarkable record. It means that the Citizens' Life death losses were only 37 per cent. of the expected, and this is an improvement over the low death rates we had in 1907, when it was 40 per cent., and in 1906, when it was 49 per cent. of the expected. It means that as we grow older we are growing wiser and even more conservative than in our earlier years, though our death losses have always been less than expected, and that, notwithstanding the increase in the phenomenal volume of our business from year to year, there has been a steady decrease in the percentage of mortality and a steady increase in the amount saved to the policyholders annually from the mortality fund.

"On the whole the Citizens' Life is to be congratulated on its improved and improving experience in the number and selection of its risks."

A BIT of BLOWING

May be pardoned to us, for our different Clothing Departments are way out in front. The best fabrics, latest cut and finest workmanship. These are appreciated by discerning clothing buyers. For spring we have assembled the finest gathering of "Hechinger's" Men, Young Men, Boys' and Children's Wearing Apparel ever shown in this locality. Always leaders in style hereabouts, we again lead the race by many, many laps. Come, compare, look, try on.

Same thing applies to Furnishings, Hats and Shoes. Don't forget the four brands of Shoes we sell—the Hanan, Nettleton, W. L. Douglas and Walkover. Every pair guaranteed to give satisfaction.

BIG RIVER

Receding Slowly—The High Water Will Soon Be a Thing of the Past

Yesterday morning at 10 o'clock the river at this point reached the maximum, the gage marking 50.7. At 11 o'clock the water began receding slowly and at 7 o'clock this morning the gage shows a recession of 9-tenths.

There is a considerable expanse of back water as it is, but no great damage has been sustained by the overflow. Another ten inches, however, would have covered the Limestone bridge and inundated a few houses. That the check came when it did was most fortunate, and that we escaped the discomforts and losses entailed by a real big flood, all are truly thankful.

Last year we were thrown into a state of suspense and tribulation four times, the river having rose to the danger line in January and February that number of times. It is to be hoped that we will not pass through a similar experience this year.

HERE is another huge task mapped out by somebody: Kentucky will co-operate with Ohio, Pennsylvania, Indiana and West Virginia in a movement to keep pure the watershed of the Ohio river, in accordance with a request from the Legislature of Ohio. When one considers the enormous quantity of filth which flows into and is dumped into the Ohio river every day, it is not hard to find a cause for nine-tenths of the disease and epidemics which continually decimate the population on banks of "The Beautiful River." If it were possible for the people along the Ohio river to see, in one mass, the stuff that goes into the stream daily, they would maybe do a little more thinking about the matter and aid in the movement for purer water. But the learned doctors will also tell us that all filth is not pollution, and that some of the most disgusting and disagreeable messes are oftentimes quite wholesome and fattening. Limburger is a table delicacy which is strong enough to speak for itself, yet there are many who fatten on it, while some people object to residing in the

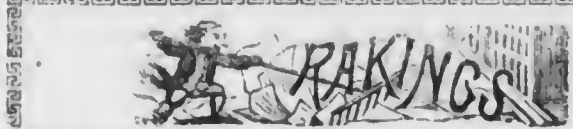

same township with Herr Limburger.

The proposition to safeguard the Ohio river drinking water is a very timely one and beautiful in theory, and it could be done, to a large extent, but it would require millions annually to carry on the work. And where are those millions to come from when we cannot even get the necessary money to improve the navigation of the noble stream?

The learned scientists are chasing the bacilli around to beat the band and the doctors of disease are making, at least, an industrious and an enthusiastic attempt to corral the germs of every kind and brand of plague, while, incidentally, they draw their salary and operate successfully on the financial appendix of your benign Uncle SAMUEL.

In the latest proposition to denature the liquid filth of the "Beautiful River," we prefer not to be one of the College of Doctors chosen to go to Washington to interview one JOE CANNON as to getting several millions from Congress towards purifying the Ohio. What the Army remarked in Flanders, and what BOB EVANS said to the pew owner, is not a marker to what Uncle Joe would say.

ONLY three more days of the Roosevelt regime.

New Knights of Columbus—
Maysville Opens Her Gates
On Great Occasion

Thousands of Visitors—Institution of New Council and Brilliant Banquet Yesterday

Maysville Catholics and All Her Citizens Join in Making the Event a Gala Success

The institution of the K. of C. Council No. 1377, of this city, was the great success which it had been heralded it would be. Fully 600 members of the Order from out of town places were present, and they, together with the home Council, made an imposing body.

The incoming guests were greeted at the Depots by delegations from the home Council, whence they were escorted to the new St. Patrick's Church Building, corner Third and Limestone streets, where they inspected the interior of the new Church. After admiring its remarkable beauty they marched to attend the first and most important feature of the day's program—the Holy Mass, which, owing to the smallness of the edifice, was exclusively for the Knights. An especially fine musical program had been prepared by the choir, and augmented, as was the choir by the addition of several voices from the Cincinnati Conservatory of Music, the excellently selected program was artistically rendered.

Following the services at the Church, the entire congregation, composed exclusively of Knights, rendered the hymn of Thanksgiving, that grand old anthem—"Te Deum Laudamus"—making the time-honored edifice ring with its uplifting strains as it had never before. This rendition by these full, strong, masculine voices produced a depth of religious feeling in the beholder not soon to be effaced.

Following the church services, a sumptuous dinner was served to the local Knights and their visiting comrades by the Ladies' Auxiliary of the congregation.

At 1:30 p.m. the initiatory services were held at the Washington Opera-house. What transpired behind the closed doors of the Opera-house is not for the perusal of the uninitiated. Suffice it to say that the keen enjoyment of the occasion was to be read on every face as the Knights issued from the Opera-house at 8:30 p.m. Three Degrees were conferred on about 100 candidates.

From the Opera-house all repaired to the Princess Skating Rink, where the celebration of the institution of the Maysville Council culminated in an elaborate and temptingly-served banquet. The days spent in preparation for this event by the various committees of the local Order, in conjunction with the Ladies' Auxiliary, made the banquet an artistic triumph. The Papal Flag was prominently to be seen here and there, surrounded by the National colors, whilst the hues of the Order of the Columbian Knighthood ever made by the skilled decorator to gracefully entwined amidst the Stars and Stripes the most prominent feature of the decorative scheme. Potted plants and cut flowers in great profusion added their charm to a picture already beautiful.

The post-prandial program was a delight intellectually, and a rare treat oratorically. The bit of the evening was the toast, "Our Parish, As It Was, Is and Will Be," by Rev. Father Jones. He captivated his hearers as he rapidly surveyed the past, replete with anced memories, and as he unfolded before his astonished now resident listeners the truly wonderful progress of his congregation made during the past eight years, with its absolutely free school in which are six proficient teachers, its beautiful Cemetery and its magnificent Church, the finest in the State of Kentucky outside of Covington, and its Pastoral residence, modern in every detail.

It is needless to say that Hon. James N. Kehoe was a success as a toastmaster. His hearers applauded him to the echo, as also they did the Hon. Thomas D. Slattery, whose witticisms were to the point.

The Knights of Columbus affair of yesterday was an event, the like of which we would like to be repeated.

A more distinguished set of men in such a large body was never in our city and treated with such lavish hospitality and fraternal cordiality as they were by the local Knights helps us, as a city, by the good impressions each visitors carry away.

NOTES.

Among the visiting Knights were seen our former citizens, Captain Edward Fitzgerald and William Brause, now residents of Covington.

Sir Knights Harry Healey, John Henner, Dr. J. Rardin of Newport were "great in Degree" work, whilst W. A. Byrnes and T. A. Gleason were great in the Second Degree. To Harry

Robinson, also of Newport, our sympathy goes out. Sympathetic Knight Aibroe won all hearts.

The smiling faces of Knights Thomas Bolger and Dennis Coughlin of Cincinnati were a reminder of "ye days of old" to their many Maysville friends.

Sir Knight Schwaniger of Cincinnati Post-office is an actor of the highest type. Though a Fifth Degree Man his assumption of the "tyro" amply filled all requirements.

Sir Knights James S. Rodgers of Lexington and Harry Felzer of Newport have earned the gratitude of Maysville Council by their efficient help connected with its institution and initiation.

The Ladies' Auxiliary has certainly proven the efficiency of its members as entertainers. A tastier and a more delightfully served menu is hard to find. The Knights doff their hats to the Ladies' Auxiliary on their success at both banquet and dinner.

The Lexington, Huntington and Portsmouth visitors were especially profuse in their laudations of Maysville hospitality, whilst graceful acknowledgements were heard from all visitors who came from Louisville, Covington, Newport, Paducah, Bardstown, Lebanon, Cincinnati, Ironton, Portsmouth and Charleston, W. Va.

A speech up-to-date with wisdom, "smiles and tears" was that of John C. Talbot of Bardstown Council. His captivating delivery fairly lifted his hearers off of their feet.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. VINOL CURES CHRONIC COUGHS, COLDS AND BRONCHITIS After Other Remedies Fail

"I have been troubled with a chronic cold and bronchitis for a long time and have tried many remedies without finding relief. Through the kind suggestion of a friend I tried Vinol, and after taking four bottles, am entirely cured." A. H. Wilda, 733-8th Avenue, Minneapolis, Minn.

S. McDonald, 147 W. Congress street, St. Paul, Minn., writes: "I contracted a severe cold last winter and thought I would never get rid of it. I tried Vinol as a last resort. It has completely cured me."

Vinol combines two world-famed tonics, the healing, medicinal properties of cod liver oil and tonic iron, deliciously palatable and agreeable to the weakest stomach. For this reason, Vinol is unequalled as a strength-builder for old people, delicate children, weak and run-down persons, after sickness and for chronic Coughs, Colds and Bronchitis.

Vinol is sold in Maysville by John C. Pecor, Druggist.

John, son of Judge C. D. Newell, who has been ill with fever, is improving.

Mrs. John Higgins, who has numerous relatives and friends in this city, died Friday at Shawhan.

The first disorder since the shoe lasters' strike was inaugurated occurred Friday at Portsmouth, when a crowd of 30 sympathizers gathered around the Selby Factory and taunted non-Union workmen as they came from work. The guards were increased and no further trouble is anticipated.

Messina probably has suffered more scourges through earthquakes, plagues and war than nearly any other city in the world. The earthquakes of 1894 and 1906 are well remembered, for many lives were lost on each occasion and much property destroyed. The city was founded B. C. 732 by Cumæan pirates and in A. D. 843 was taken by the Saracens. These in turn were driven out by the Normans in 1062. A plague in 1740 killed 40,000 persons there, and in 1782 an earthquake destroyed most of the town. The massive Cathedral, built in the Norman period and which had withstood war and cataclysm for ages, was badly damaged in the recent earthquake, its dome being destroyed.

The gage marks 50.3 and falling.

INCREASE SHOWN

Freight Business of the C. and O. Said to be Improving

ALL SORTS.

Freight Business of the C. and O. Said to be Improving

The Chesapeake and Ohio freight business is showing decided improvement and it is estimated that since the first of the month it has increased from 15 to 20% since the low mark of a few weeks ago, when it became necessary to lay off many of the train crews.

A "grievance committee" of the C. and O. will doubtless shortly be appointed from the Huntington Division to go to Richmond to see the leading officials regarding the increase of wages of various employees, including trackmen and carpenters, this class being the most anxious for an increase. Trackmen now receive \$140 a day and want \$150, while carpenters want an increase of 25 cents per day.

With every indication of an early spring and hence an early opening of lake trade, the railroads throughout the East and Middle West are repairing motive power and rolling stock so as to be ready for the rush of business when it comes.

Coal has been found in nearly every island of the Philippine archipelago.

Dentists are the highest paid professionals men in Paris, their income averaging \$6,000.

The electrical equipment of the Cunard liner Manzanilla includes over 200 miles of cable and more than 6,000 15-candle-power lamps.

Stop grumbling. Get up two hours earlier in the morning and do something out of your regular profession. Mind your own business and with all your might let other people alone. Live within your means. Give away or sell your dog. Go to bed early. Talk less of your own peculiar gifts and virtues and more of those of your friends and neighbors. Be cheerful. Fulfill your promise. Pay your debts. Be yourself all you would see in others. Be a good man or woman and stop grumbling.

RARE OLD COAT

Mr. B. D. Strode Has Valuable Garment in His Possession

Lexington Leader.

A rare old coat, which belongs to Mr. B. D. Strode of Maysville, is now on exhibition in the show-window of C. E. Davis Tailoring Company at 116 East Main street and will be left there for a week or ten days.

The coat was first worn by Samuel S. Strode, who was Mr. B. D. Strode's great grandfather and one of the first men who settled in Kentucky, at his wedding, which took place 100 years ago at Maysville, Ky. The coat is a dark blue and contains the family coat of arms on each side and is a rare relic.

Mr. Strode said the State has offered a goodly sum of money for the coat, but he does not care to part with it.

Navajo Indian Gives Reason for Savagery at Cincinnati Depot

Angered at not receiving any satisfaction from the Great White Father at Weebington, to whom he had gone to confer on Tribal matters, and brooding over the theft of his croquet and \$100 on the train, were the reasons assigned by Chief Bgwodi, the Navajo Indian, for stabbing three white people in the Central Union Station at Cincinnati Sunday week.

Father Juvenille, who has lived among the Indians of New Mexico for twenty years, had a hard time understanding the Indian's story, but managed to learn some of his tale.

The Chief said his name is Hastqui Bgwodi, and not Becody. He said he had remained silent because he thought he was among enemies.

Mrs. Davord, who was stabbed by the Indian, has had a turn for the worse and her physicians entertain fears for her recovery. Martins Meyer, the other victim, is improving.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
